# Information Session

MASTERS OF SOCIAL WORK (MSW) PROGRAM  
AT THE SILBERMAN SCHOOL OF SOCIAL WORK

If you are interested in a Field of Practice specialization in Criminal Justice, you should attend this Information Session. We'll focus on how Social Work Practice impacts the Criminal Justice system and new opportunities for Social Workers.

Criminal Justice Social Workers work in the court system, prisons and community-based organizations serving former offenders and individuals at risk of criminal justice system involvement!

Removing barriers to services, promoting alternatives to incarceration are important parts of advocating for your clients.
